## INTRODUCTION

Dnyanprassarak Mandals College is a premier Institution of higher education in Goa. It is one of the oldest and prestigious colleges in Goa and right from its inception in 1974, for last forty years it has successively contributed towards the welfare of the society by imparting quality education. Located on the picturesque Assagao hill, with a campus spreading over 30 acres of land, the college offers diverse courses at undergraduate and Post- Graduate levels in faculties of Arts, Science, Commerce, Management and Technology. It has to its credit two Research centres in Commerce and Chemistry which provides facilities to enrol for Ph.D. Degree apart from consultancy services. The college is well known for its commitment towards academic excellence and producing individuals who are socially and morally tuned to nation building.

College is being doing well enough to promote sports at intra as well as extra murals; in this paper the college contribution of sports at Goa university sports is highlighted.

In form of the number of students participation at various tournaments, women participation, championships won, students who have represented Goa university at inter university tournaments and Best sports person men as well women awardees, for the period from 2007 to 2018-19,

Women participation in sports was always a priority in the college, in order to promote women participation at intercollegiate level a special sports committee was constituted and a women (teaching female faculty) was appointed for coordinating the efforts put in by the college director.

Every year the students numbers which take part in various games is from a range of 170 to 220 students, the total students strength of college aided as well as non aided is anywhere from 1100 to 1400 depending upon the students intake.

College run the regular Courses of B.A, B.Com, B.S.C as well as Self Finance Courses namely B.B.A, B.C.A, M.S.C, M.Com. Self Finance Courses are also called as non grantable or non aided courses, where in the sports merit marks are not taken into consideration into account (not reflected in mark card) unlike regular courses, special appreciation to these students who participate at the highest level inspite having a very busy schedule of classes and seminars.

3. Team manager of Goa University for west zone interuniversity kabaddi men team at Kholapur (Maharashtra).

## CONCLUSION

College director with the support of Principal Dr. D.B.Arolkar and mandals Chairman Shri Shrikrishna Pokle tries to prepare the inter collegiate teams at par with other colleges despite the fact that college doesn't have a proper playground and proper sports infrastructure .most of time we have to rely on government bodies for making available the play fields and sports playfield and also for coaches , though there are many schemes and polices of govt for developing the play fields and sports arenas the process is time consuming and never ending, also the college director becomes one man army when it comes to inter murals and intra mural activities. I hope in near future the conditions will improve and additional support staff and better working conditions will be available the department personal.
