## **DISTRICT PLANNING COMMITTEE**

Section 214 of the Act makes a mention of the District Planning Committee. The Haryana Government made the rules for constitution of the District Planning Committee in each district. These rules may be called the Haryana Constitution of District Planning Committee Rules; 1997.

The rules provide that a committee in each district shall be constituted to consolidate the plans prepared by the Panchayat and Municipalities in the district and to prepare a draft development plan for the district as a whole and submit these plans to State Government.

The membership of such committee in district having population upto ten lakhs shall be twenty and in the districts having population more than ten lakhs each, it shall be twenty-five. It is provided that not less than four-fifth of the total number of members of such committee shall be elected by and from amongst, the elected members of the Panchayat at the district level and of the municipalities in the district in proportion to the ratio between population of the rural areas and the urban areas in the district.

In twenty five members Committee, five members to be nominated by the state Government, shall include Commissioner of the concerned Division, Deputy Commissioner of the concerned District and two persons out of eminent economists and professional having experience in Planning. Members of Parliament and Members of Legislative assembly whose constituencies fall in that district shall be special invitees.
